HEADING OFF THE ONE BIG UNION MOVEMENT

Lawrence, Mass., April 13.—Telephone tonight from Providence, Thomas F. McMahon, president of the United Textile Workers of America, instructed the headquarters of that organization here to "take no notice" of the One Big Union threat to picket the U. T. W. offices here in the fight for control of the Lawrence textile strike.

Ben Legere, head of the One Big Union here, announced earlier in the day that within two days he would commence to picket the United Textile Workers' headquarters.

The contest between the rival organizations today was the outstanding feature of the strike situation. United Textile Workers' heads refused to take seriously a second threat by Legere, that he would seek an injunction to restrain them from collecting strike relief funds. The One Big Union chief charged that collections made for the benefit of all strikers were being used for members of the United Textile Workers alone.

Y. M. C. A. CAMPAIGN MAKES RECORD

IN RAISING BUDGET IN FOUR DAYS

Over the top in four days is the record hung up by the Norwich Y. M. C. A. in the financial campaign which came to a close Thursday evening. The campaign was under the leadership of Campaign Director H. M. Clark and was out Monday morning to raise the Y. M. C. A. budget of \$9,000. The team reports on Thursday evening showed a total of \$2,327 added during the day, bringing the grand total up to \$9,320.

Never in the history of current expense campaigns of the Norwich Y. M. C. A. has such pronounced success been achieved, said General Secretary, Edwin Hill Thursday night. Many of our citizens are asking, How did you do it? he continued. The answer might be given thus: God Almighty back of it all; a constant work force of volunteers; boys the past year, and the past year; a campaign manager of splendid ability; a company of noble, true men as team captains, and team workers unexcelled in any previous campaign, and to these reasons must be added the splendid support served by the ladies of the various churches, said Mr. Hill.

The team workers met as usual Thursday evening at 8 o'clock in the building. Prayer was offered by James L. Case, an ex-president of the Y. M. C. A. The supper was served by the United Congregational church.

Mayor Herbert M. Lerou, who was present as a guest, congratulated the association on the success of the campaign. Mayor Lerou said the association is a real benefit to the city and that its future work in the new building will be more far-reaching than ever before.

Brief talks were given by President James C. Macpherson, James D. Case, General Secretary Edwin Hill and the team captains. The meeting closed with prayer by Captain H. B. Cary.

The team reports for Thursday were as follows:

Team Captain Pledge Amount
A. Philip A. Johnson 14 \$1245
B. S. B. Palmer 11 195
C. H. B. Cary 34 312
D. F. L. Arnold 27 219
E. J. M. Swann 79 561

Totals 155 \$3637
Previously acknowledged 6705
Grand total \$9,320

The goal of \$9,000 was passed, said Secretary Hill, and there are doubtless others who will send in contributions. All contributions offered can be utilized in any way the board during the coming year. A total of 509 pledges was secured. The management expressed its deep gratitude to all who have worked or given and promises its best efforts during the coming year to meet the splendid confidence manifested in the work by the large number of givers, said Secretary Hill.

The committee of the United church who had charge of the supper were Mrs. Lillian S. Young, Mrs. Pannie C. Adams, Mrs. Fred Krohn, Mrs. C. Arthur Lathrop, Mrs. Edward Corbett and Mrs. Carrie Hayden.
